**Mother of Christ Catholic Church and School**  
**19<sup>th</sup> Annual Harvest Festival 2018**  
**November 8 – 11**

@mocharvestfestival

@motherofchristmiami

Each year, our community comes together for a long weekend of ***fun, rides, music, and lots of food*** to help our Parish raise money for our building fund. This helps us to pay our mortgage for the multi-purpose structure that not only serves as a school, but is also in use for CCD classes, ministry meetings, and weekend retreats. We will be adding ***pews with kneelers*** and remodeling our building.

- ***You will have access to a captive audience of all ages (Pre-school to Senior Citizens)***
- ***An average of 2000+ participants throughout the length of the festival***
- ***Participants **motivated** to interact with vendors/sponsors for the benefit of the church/school***
